Warranty Conditions

✓ This warranty is against defective materials or workmanship. This warranty is void if the product has been damaged by accident, unreasonable use, neglect, improper service or installation. Any modification, acts of God, normal wear and tear or other causes not arising from defective materials or workmanship is not considered under this warranty.

Examples of conditions that void our warranty:

- Wind Whip Damage – The cover must be secure to truck when vehicle is in motion.
- Improper Cleaning – The use of cleaning chemicals not approved for cleaning vinyl. Do not use product such as Armor All. These are Vinyl Conditioners and will cause the vinyl to shrink.
- Overloading of Cargo – Cargo must not be allowed to touch the cover in any position. Protrusions in the vinyl will cause stress in the fabric and cause unnecessary weak spot in the material.

The Tonno Pro Warranty is only valid if purchased through an "Authorized Dealer of Tonno Pro".

Upon determination Tonno Pro may require the product to be returned postage prepaid to further inspect the warranty claim.
